

I Could Have Danced All Night

[Kelli O'Hara](#)

Bed, bed, I couldn't go to bed
My head's too light to try to set it down
Sleep, sleep, I couldn't sleep tonight
Not for all the jewels in the crown I could have danced all night, I could have danced all night
And still have begged for more
I could have spread my wings and done a thousand things
I've never done before I'll never know what made it so exciting
While all at once my heart took flight
I only know when he began to dance with me
I could have danced, danced, danced all night I could have danced all night, I could have danced all night
And still have begged for more
I could have spread my wings and done a thousand things
I've never done before
