## Hung Over You

Paulini I woke up again, a thousand little shards inside my head  
Hung over like, woah, it's too early for daybreak  
Cause last night I...Bought a bottle of red, bought a bottle of Goose  
I got a little bit wild, I got a little bit loose  
And if I wake up drunk on someone's car in my shoes  
I'll raise a glass cause at least I'm not hung over you  
I'm not hung over you  
Jack was a good friend, Jambina screams, but shots will never end  
Then Julio said, woah it's too early for day break  
Cause last night I...Bought a bottle of red, bought a bottle of Goose  
I got a little bit wild, I got a little bit loose  
And if I wake up drunk on someone's car in my shoes  
I'll raise a glass cause at least I'm not hung over you  
I'm not hung over you I'm not hung over you, no, no, no, no  
We used to go out drinking  
You really had me thinking  
Of all the girls and boys that  
You were my favorite poison  
We used to bottoms up  
And pour another cup  
But I don't think about that anymore  
Cause I...  
Bought a bottle of red, bought a bottle of Goose  
I got a little bit wild, I got a little bit loose  
And if I wake up drunk on someone's car in my shoes  
I'll raise a glass cause at least I'm not hung over you  
I'm not hung over you Hung over you  
I'm not hung over you  
I'm not hung over you
