Bolus

I am an angel, stands in the corner
 Nobody sees me
Invisible angel, makes certain signals
 Only I know what they mean
Dogs and demons walks in my head
 I am deep under pressure
I understand what I have to do now
 I know I'm just following orders
 They crucify me again and again
 I won't stay on this cross
Nobody knows the trouble I've seen
 Nobody knows what I've lost
 Heavy things, in a heavy bag
 Heavy thoughts on my mind
Ghosts and monsters, you bastard sinners
 You've ruined my life
 I walk through a crowd
Nobody sees me, I'm invisible here
 I've come to finish my mission

 And put an end to this fear
 They crucify me again and again
 I won't stay on this cross
Nobody knows the trouble I've seen
 Nobody knows what I've lost
 Day in, day out, day in, day out
 Chaos and carnage around me
 Well, I hear their shouts and cries
Well, I laugh at the gut when they try to surround me
 They won't take me alive
 They crucify me again and again
 I won't stay on this cross
 Nobody knows the trouble I've seen
Nobody knows what I've, nobody knows that it's
 Day in, day out, day in, day out, day in
 Nobody knows the trouble I've seen
 Nobody knows what I've lost
