Find Us Faithful

Steve Green

We're pilgrims on the journey
Of the narrow road
And those who've gone before us line the way
Cheering on the faithful, encouraging the weary
Their lives a stirring testament to God's sustaining graceSurrounded by so great a cloud of witnesses
Let us run the race not only for the prize
But as those who've gone before us
Let us leave to those behind us
The heritage of faithfulness passed on through godly livesCHORUS:
Oh may all who come behind us find us faithful
May the fire of our devotion light their way
May the footprints that we leave
Lead them to believe
And the lives we live inspire them to obeyOh may all who come behind us find us faithfulAfter all our hopes and dreams have come and gone
And our children sift through all we've left behind
May the clues that they discover and the memories they uncover
Become the light that leads them to the road we each must findREPEAT CHORUSOh may all who come behind us find us faithful
Oh may all who come behind us find us faithful
