

I Ain't Gonna Eat Out My Heart Anymore

[Shania Twain](#)

I admit you got the biggest brown eyes
And you know how to part your lips to tantalize
Sure babe you know you can get any girl you want, go ahead, do it
And don't say you don't, you know you do[Chorus:]
Well baby, I ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore Just 'cause I ain't sayin' it
You should be ashamed what I've been seein' babe
You better watch you step
Or you can bet you're gonna lose the best thing you ever had[Chorus:] I love you, I love you
I do babe
But you ain't gonna cheat on me
I need you, I need you
I do babe
Choose, is it her or me[Chorus: Repeat 2X]
