

Empty

The Click Five

Tried to take a picture of love
Didn't think i'd miss her that much
I wanna fill this new frame
But it's empty

Tried to write a letter in ink
It's been getting better i think
I've got a piece of paper but it's empty

It's empty

[Chorus]

Maybe we're trying trying to hold
Maybe we're torn apart
Maybe the timing is bleeding a lot
We're empty

And i even wonder if we
Should be getting under these sheets
We can lie in this bed but it's empty

It's empty

Maybe we're trying trying to hold
Maybe we're torn apart
Maybe the timing is bleeding a lot
We're empty

Oh oh oh oh oh oh oh oh oh oh oh oh oh oh

Maybe we're trying trying to hold
Maybe we're torn apart
Maybe the timing is bleeding a lot
We're empty

Maybe we're trying trying to hold
Maybe we're torn apart (We're empty)
Maybe the timing is bleeding a lot
We're empty
