

# Winners Take All

## Quiet Riot

Life's been good, life's been bad  
Now I know what I have  
It's taken, it's toll on me Yes, we give and we take  
What we get is what we make  
Believe that dreams come true Life is crazy, we're not fools, no, no  
The price is high when you keep the score  
Take your souls and your goals to the top Together we stand, we won't take no more  
'Cause we're winners and winners take all  
Together we stand, we won't take no more  
'Cause we're winners and winners take all We have loved, burned by fate  
But for once set the record straight  
Time does heal all wounds We have laughed, we have cried  
Paid our dues, yes, we've turned the tide  
Mistakes are far and few We need no guidance, our aim is true  
Down the road there were many tolls  
But we know 'cause we've grown, what we need Together we stand, we won't take no more  
'Cause we're winners and winners take all  
Together we stand, we won't take no more  
'Cause we're winners and winners take all The price is high when you keep the score  
Take your souls and your goals to the top Together we stand, we won't take no more  
'Cause we're winners and winners take all  
Together we stand, we won't take no more  
'Cause we're winners and winners take all Na, na, na  
Na, na, na  
Na, na, na
