

Fingerprints

Katy Perry

Voted most likely to end up on the back OK a milk box drink
Looks like I'm letting them down
'Cause seven, seventy-five isn't worth an hour of my hard work and time
When you can't afford half the shit they advertise
Oh I'm worth more than they ask more than the two-tag generation full of regret
Oh I won't settle no, oh I can't settle [Chorus]
I wanna break the mold, I wanna break the stereotype
Fist in the air I'm not going down without a fight
It's my life
And I'm sitting on the sidelines watching it pass me by
I'm leaving you my legacy
I gotta make my mark
I gotta run it hard
I want you to remember me
I'm leaving my fingerprints
I'm leaving my fingerprints
I'm leaving my fingerprints on you representing you and me
Don't you wanna go down in history?
Rather than end up begging on the streets
Trading under the table favors for a place to sleep
'Cause I'm worth more than this so stop writing prescriptions for my Ritalin
I can't focus my attention [Chorus] It pass me by
I'm leaving you my legacy
I gotta make my mark
I gotta run it hard
I want you to remember me
I'm leaving my fingerprints
I'm leaving my fingerprints
Don't give up
Don't give in
Because your arms on the rock
Oh I'm not innocent, innocent, innocent, innocent Effortless and I'm sitting on the sidelines watching
It pass me by
I'm leaving you my legacy
I gotta make my mark
I gotta run it hard
I want you to remember me
(I want you to remember me)
Effortless and I'm sitting on the sidelines watching

It pass me by
I'm leaving you my legacy
I gotta make my mark
I gotta run it hard
I want you to remember me
'Cause I'm leaving my fingerprints
I'm leaving my fingerprints
I'm leaving my fingerprints, in the end
