

# Ends of the Earth

[Kenny Chesney](#)

Oh, there's a river that winds on forever  
I'm gonna see where it leads  
Oh, there's a mountain that no man has mounted I'm gonna stand on the peak  
Out there's a land that time don't  
command  
Wanna be the first to arrive  
No time for pondering why I'm a-wandering  
Oh, while we're both still alive To the ends of the earth would you follow me?  
There's a world that was meant for our eyes to see  
To the ends of the earth would you follow me?  
If you won't I must say my goodbyes to thee  
Oh, there's an island where all things are silent  
I'm gonna whistle a tune  
Oh, there's a desert, the size can't be measured  
I'm gonna count all the dunes Out there's a world that calls for me, girl  
Heading out into the unknown  
Wayfaring strangers and all kinds of danger  
Please don't say I'm going alone To the ends of the earth would you follow me?  
There's a world that was meant for our eyes to see  
To the ends of the earth would you follow me?  
If you won't I must say my goodbyes to thee I was a-ready to die for you, baby  
Doesn't mean I'm ready to stay  
What good is living a life you've been given  
If all you do is stand in one place?  
I'm on a river that winds on forever  
Follow 'til I get where I'm going  
Maybe I'm heading to die but I'm still gonna try  
I guess I'm going alone
