

# Hanky Panky Nohow

[John Cale](#)

If the sacheting of gentlemen  
Gives you grievance now and then  
What's needed are some memories of plaining lakes  
Those plaining lakes will surely calm you down Nothing frightens me more  
Than religion at my door  
I never answer panic knocking  
Falling down the stairs upon the law  
What law? There's a law for everything  
For elephants that sing to keep  
The cows that agriculture won't allow  
Hanky-panky know how, hanky-panky know how  
Hanky-panky know how There's a name for everything  
For elephants that sing to keep  
The cows that agriculture won't allow  
Hanky-panky know how, hanky-panky know how  
Hanky-panky know how
