Life Among the Savages

Papercuts

Hold on, I said lets talk
I tryed, but I couldn't escape, they're callin' me
Come back to the show!But I'm not going, don't fear the animals
I try, but they're never rich
Their father go to be one of usAnd it's living not since so long ago
Just leave me here, I don't wanna go
Back there
I'm hearing all the savages
Life is a gas
Man, I couldn't even call it it
Holding me back there
Call me in the conduct, right to the shore
But I chose mineHold on, I said lets talk
I tryed, but I couldn't escape, they're callin' me
Come back to the show!But I'm not going, don't fear the animals
I try, but they're never rich
Their father go to be one of us
I'm hearing all the savages
Life is a gas
Man, I couldn't even call it it
Holding me back there
Call me in the conduct, right to the shore
But I chose mine
