

Out Of The Ashes

Brooke White

Will you take me back again
You know I'd take you back again
Open up your heart again
You know I'd give up my heart againEverybody makes mistakes
Well nobody, nobody's perfect
I know that I've made mistakes
Well nobody, nobody's perfect
So will you meet me in the middle of the fire escape
If it's not too lateWe'll get out of the ashes
Why do we have to wait
We'll get out of the ashesYou never meant a word you said
I never meant a word I said
We're hurting from the inside out
And from the outside in
Everybody needs a break
You know and I know we're worth it
Just a little give and take
Well you know and I know we're worth it
So if you meet me in the middle of the fire escape
If it's not too late
