Yo

E-Swift

Yo, still out here actin a fool, man  
Well, we gon' bust it off like this, youknowmsayin?[ VERSE 1: King Tee ]

Yo, woke up this morning at a half past 10

Next to me was this stunt named Lynn

She's cute, long hair, light skin

And she's married to my homeboy Ken

Hey, it's alright, she says Ken don't know

Yeah, Ken don't know you're a hoe

But oh, you're wonderin, how could I sleep with Lynn?

When she's married to my homeboy Ken?

Well, it's plain and simple and true

The girl asked me if I wanted to screw

Bust it, I take her up to a nice hotel

The? Fox where I dwell

Before we got there I had to make a stop though

I almost forgot the u-know-what and Super Saco, yo

She said, "Yo, you're really gonna bust out your homeboy's wife?"

I said, "Baby, let me tell you about my life

I'm skainless"

[ CHORUS ]

(Everyone's got to make a livin)--> 20th Century Steel Band

Skainless

Yeah mama, I'm skainless

(Everyone's got to make a livin)

Skainless[ VERSE 2: King Tee ]

Well, Lynn got up, got dressed and left

Still felt skainless, so I called Beth

I know you're thinkin: he's from one woman to another

But Beth was my homeboy Ken's mother

I said, "Hey girl,? money?"

She said, "What's up, I been waitin on your call, honey"

I said, "Really? Well Beth, check this

I'ma pick you up around a quarter to 6

So wear somethin sexy and cute

Cause I'm about to crash the boots"

She said, "You need to because pops can't hang no more"

10 minutes later I was knockin at the door

She opened up, I said, "What's up"  
She said, "My husband's inside," I said, "What the - hold up  
Just wait, I'ma go away and let you handle this"  
? the mack cause I'm skanless  
[ CHORUS ][ VERSE 3: King Tee ]  
Yo, it's a girl named Vicky  
She kinda knows my rep so I had to get slick, see?  
I had to turn like super skanless on her  
(But yo, I know I love you, baby) you know, that Compton drama  
She said, "We can't make love cause I'm not like that  
I have to get to know you," all the yakety yak crap  
I said, "Baby, I feel my heart crackin up  
I really thought you liked me so I bought you this  
Luxurious solid gold bracelet  
Go 'head, put it on, let me see if it fits"  
She says, "Ooh, I guess you're serious"  
"I mean what can you say? I mean you drive me delirious  
If we make love I buy you anything you want  
Dookie gold ropes, silk suits to flaunt"  
I knocked boots, she made me feel like a mack  
So like a pimp I jacked the hoe and stole all my shit back  
Cause I'm skanless[ CHORUS ]E-Swift, break it down
