

Sweet Baby

Cool Million

Many times I've been told that I should go
But they don't know what we got baby
They may not see the love in you but love I do
Now stay right here
Sweet, sweet baby life is crazy
But there's one thing I am sure of
That I'm your lady always baby
And I love you now and ever
Sugar wishes don't change what is real
Or how it feels in the bad times
For what ever he is, he is mine all the time
And we'll get by with our true love
Sweet, sweet baby life is crazy
But there's one thing I am sure of
That I'm your lady always baby
And I love you now and ever
Sweet baby life is crazy
But there's one thing I'm sure of
See I, I'm your lady always baby
And I love you now and ever
I bet would I ever find just a true lover
That we come this far together
I bet so I'm here to stay 'cause without you baby
I can't go any further, say
Sweet baby life is crazy
But there's one thing I'm sure of
See I, and I'm your lady always baby, baby
Ever is mine, ever is mine, ever my sweet sweet baby
Life is so sweet with you
Forever be so loving true
Sweet with you
Sweet, sweet with you baby
