

# I Need Love

## The Music

So to the world, I'll raise a glass  
And turn my back on the life I wish that you were here with me  
Instead of by his side I can't believe  
It's been this way forever But when you need it  
Makes it harder Gimme, so I need love  
I need love  
I need love  
Help me now I need love  
I need love  
I need love  
Help me now I need love  
I need love  
I need love  
Help me now I need love  
I need love  
So come on  
Help me now I just want to leave, I can't help myself  
I want love to help me find a home My lonely life is  
Simply nothing without you I can't believe  
It's been this way forever But when you need it  
Makes it harder Girl move, I need love  
I need love  
I need love  
Help me now I need love  
I need love  
I need love  
Help me now I need love  
I need love  
I need love  
Help me now I need love  
I need love  
So come on  
Help me now Honey, it's time to go  
Honey, it's time to go  
Ooh honey, it's time to go Ohh I, I never listened  
To what you said  
I was so foolish in this time  
Please remember Honey, it's time to go  
Honey, it's time to go

Honey, it's time to go  
Honey, it's time to get, to get, to getHoney, it's time to go  
Honey, it's time to go  
Honey, it's time to goNow  
I need love  
I need love  
Help me nowI need love  
I need love  
I need love  
Help me nowI need love  
I need love  
I need love  
Help me nowI need love  
I need love  
So come on  
Help me nowSo come on  
Help me now  
Move, come on  
Help me now  
So come on  
Help me now
