

I Need Love

The Music

So to the world, I'll raise a glass
And turn my back on the life I wish that you were here with me
Instead of by his side I can't believe
It's been this way forever But when you need it
Makes it harder Gimme, so I need love
I need love
I need love
Help me now I need love
I need love
I need love
Help me now I need love
I need love
I need love
Help me now I need love
I need love
So come on
Help me now I just want to leave, I can't help myself
I want love to help me find a home My lonely life is
Simply nothing without you I can't believe
It's been this way forever But when you need it
Makes it harder Girl move, I need love
I need love
I need love
Help me now I need love
I need love
I need love
Help me now I need love
I need love
I need love
Help me now I need love
I need love
So come on
Help me now Honey, it's time to go
Honey, it's time to go
Ooh honey, it's time to go Ohh I, I never listened
To what you said
I was so foolish in this time
Please remember Honey, it's time to go
Honey, it's time to go

Honey, it's time to go
Honey, it's time to get, to get, to getHoney, it's time to go
Honey, it's time to go
Honey, it's time to goNow
I need love
I need love
Help me nowI need love
I need love
I need love
Help me nowI need love
I need love
I need love
Help me nowI need love
I need love
So come on
Help me nowSo come on
Help me now
Move, come on
Help me now
So come on
Help me now
