

Just More (Single Edit)

Wonderwall

Look beyond my face and love me
I'm not the good girl you should know
There was a time when I thought of you
There was a time when you thought of me
Look in my eyes and say you love me
Look in my eyes and say you want me
I'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just more
It's too late to look beyond
It's too late to dry my socks
I left my shoes left you behind
Ran barefooted through the crowd , yeah
There's another word for love
There's another word of course
I'm just more than you can see obviously
I'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just more
There's another word for love
There's another word of course
I'm just more than you can see obviously
It's too late to look beyond
It's too late to dry my socks
I left my shoes left you behind
Ran barefooted through the crowd , yeah
There's another word for love
There's another word of course
I'm just more than you can see obviously
I'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just more
There's another word for love
