

Reaching From Nowhere

[Milla Jovovich](#)

How can I be telling you my thoughts, my love
When even I don't know what I'm thinking?
How can I explain the way your eyes
Burn into my mind, my love? For when you talk to me
I'm blind 'cause you set me free and
And you hold me and your fingers
Touching me What if we decide to break these walls?
This from me, the builder
Can we give this love a fair chance?
And only cease when it fades And when I see your face
Locked in my memory
And, and you hold me
And I'm giving up to you Reaching from nowhere
Feeling for your hands
Screaming out your name
Nearing towards you Reaching from nowhere
Feeling for your hands
Screaming out your name
Nearing towards you Reaching from nowhere
Feeling for your hands
Screaming out your name
Nearing towards you
Nearing towards you
