

# More Human Than Human

Richard Cheese

More human than human  
Yeah, I am the astro-creep  
A demolition style Hell American freak, yeah  
I am the crawling dead  
A phantom in a box, shadow in your head, say  
Acid suicide, freedom of the blast  
Read the fucker lies, yeah  
Scratch off the broken skin  
Tear into my heart, make me do it again, yeah  
Yeah, yeah, yeah, yeah  
More human than human  
More human than human  
More human than human  
More human than human  
More human than human  
More human than human  
Yeah, I am the jigsaw man  
I turn the world around with a skeleton hand, say  
I am electric head  
A cannibal core, a television said, yeah  
Do not victimize  
Read the motherfucker-psychoholic lies, yeah  
Into a psychic war  
I tear my soul apart and I eat it some more, yeah  
Yeah, yeah, yeah, yeah  
More human than human  
More human than human  
More human than human  
More human than human  
More human than human  
More human than human  
More human than human  
Yeah, I am the ripper man  
A locomotion mind  
Love American style, yeah  
I am the nexus one  
I want more life  
Fuck I ain't done, yeah  
More human than human  
More human than human

More human than human

...
