## **Plastic People**

## **The Mothers of Invention**

Ladies and Gentlemen...

The President of the United States!

"Fella Americans...Doot, Doot, Doot..."

He's been sick!--Doot! Doot!

And I think his wife is gonna bring him

Some chicken soap

Plastic people!

Oh, baby, now you're such a dragI know it's hard to defend an unpopular policy Every once in a while--Plastic people!

Oh, baby, now you're such a dragAnd there's this guy from the CIA he's creepin'

Around Laurel Canyon

A fine little girl She waits for me

She's as plastic as she can be

She paints her face With plastic goo

And wrecks her hair With some shampooPlastic people

Oh, baby, now you're such a drag"I dunno...sometimes I just get tired

Of ya honey--it's...ah..your

Hair spray...or something..."Plastic people

Oh, baby, now you're such a drag"I hear the sound of marching feet...

down Sunset Boulevard to Crescent Heights

...and there...at Pandora's box...

We are confronted with...a vast

Quantity of...Plastic people..."

Take a day and walk around

Watch the Nazi's Run your town

Then go home and check yourself

You think we're singing

'Bout someone elseBut you're Plastic people

Oh, Baby, now

You're such a dragMe see a neon Moon above

I searched for years I found no love

I'm sure that love Will never be

A product of Plasticity

A product of Plasticity
