Car Bomb Derby

Electrocute

Crush, crush, demolish, crush, crush, crush and demolish
I wanna race with the president, enigmatic mask man
We wanna race with the president
In a car bomb derby, in a car bomb derby

While the engine purrs, let the games begin
This is a game that you just canâ€™t win
Iâ€™m high on the gas, still in second gear
Now watch me go fast,
â€˜Cause we have no fear.
