

That's How Strong My Love Is

Buddy Miller

If I was the sun way up there
I'd go with my love most everywhere
I'd be the moon when the sun went down
Just to let her know I'm still around 'Cause that's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is I'll be the weeping willow drowning in my tears
And you can go swimming when you're here
I'll be the rainbow when the tears have gone
Wrap you in my colors and keep you warm 'Cause that's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is Like an ocean so deep and wide
I'll catch your tears whenever you cry
I'll be the breeze when the storm is gone
And dry your eyes and love you once more 'Cause that's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is Like an ocean so deep and wide
I'll catch your tears whenever you cry
I'll be the breeze when the storm is gone
And dry your eyes and love you once more 'Cause that's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is
