

Smash It (Pikachunes Remix)

Zowie

I want you to break
Want you to say my name
What is it gonna take?
(I-I-I wanna, wanna) Tonight I'll tear you apart
I'll take you off the chart
My foot is off the brake
(I-I-I wanna, wanna) Crash it, bash it
Captain fantastic
Hit it, unzip it
I wanna whip it I'ma love to get you down
Are you with it?
I'ma love to beat you out
Of my system
Overdrive, all the time
Hit you up until you're mine
I'ma love to get you down Smash, smash, smash, sma- sm-
Smash, smash, smash, sma- sm-
Smash, smash, smash, sma- sm-
Smash
I wanna smash it I'm just a big bully
I wanna make you scream
Or something more obscene
(I-I-I wanna, wanna) I wanna play you loud
And blow your ear drums out
Then knock you about
(I-I-I wanna, wanna) Crash it, bash it
Captain fantastic
Hit it, unzip it
I wanna whip it I'ma love to get you down
Are you with it?
I'ma love to beat you out
Of my system
Overdrive, all the time
Hit you up until you're mine
I'ma love to get you down Smash, smash, smash, sma- sm-
Smash, smash, smash, sma- sm-
Smash, smash, smash, sma- sm-
Smash
I wanna smash it Smash, smash, smash, sma- sm-

Smash, smash, smash, sma- sm-

Smash, smash, smash, sma- sm-

Smash

I wanna smash it I'll stitch you up, I'll take your pulse

Am I making the right conversation?

I'll check you out, I'll take you home

Am I making the right conversation? I'ma love to get you down

Are you with it?

I'ma love to beat you out

Of my system

Overdrive, all the time

Hit you up until you're mine

I'ma love to get you down I'ma love to get you down

Are you with it?

I'ma love to beat you out

Of my system

Overdrive, all the time

Hit you up until you're mine

I'ma love to get you down Smash, smash, smash, sma- sm-

Smash, smash, smash, sma- sm-

Smash, smash, smash, sma- sm-

Smash

I wanna smash it Smash, smash, smash, sma- sm-

Smash, smash, smash, sma- sm-

Smash, smash, smash, sma- sm-

Smash

I wanna smash it I'ma love to get you down

I'ma love to get you down

I'ma love to get you down I'ma love to get you down
