

# Lifeline

Ben Harper

One time to know that it's real  
One time to know how it feels  
That's all  
One call - your voice on the phone  
One place - a moment alone  
That's all  
What do you see?  
What do you know?  
What are the signs?  
What do I do?  
Just follow your lifelines through  
What do you hate?  
What do I do?  
What do you say?  
Don't throw your lifelines away  
Don't throw your lifelines away  
One time - just once in my life  
One time- to know it can happen twice  
One shot of a clear blue sky  
One look - I see no reasons why you can't  
One chance to be back  
To the point where everything starts  
Once chance to keep it together  
Things fall apart  
Once I make us believe it's true  
What do we see?  
Where do we go?  
What are the signs?  
How do we grow?  
By letting your lifelines show  
What if we do? What up to now?  
What do you say?  
How do I know?  
Don't let your lifeline go  
Don't let your lifeline go  
Don't let your lifeline go
