GoI was there in the back stage
When this light came around
I grew up like a changeling
To win the first time aroundI can see all the weakness
I can pick all the faults
Well, I concede all the faith tests
Just to stick in your throats31G, 31G, 31GHung around in your soundtrack
To mirror all that you've done
To find the right side of reason
To kill the three lies for oneI can see all the cold facts
I can see through your eyes
All this talk made no contact
No matter how hard we tried31G, 31G, 31GI can still hear the footsteps
I can see only walls
I slid into your man-traps
With no hearin' at allI just see contradiction
Had to give up the fight
Just to live in the past tense
To make believe you were right31G, 31G, 31G3, 5, 0, 1, 2, 5
