Losing My Mind

Eskimo Joe

Am I all that they say that I am
Am I spiralling away from these plans
Do I drive too much when I'm drunk
Do I preach to you all like a punk
And I am
Losing my mind
I'm losing my mind
Losing my mind
Losing my mind
Do I look like a man you might know
When I breathe on your lips does it show
Well we spent all the night like we were millionaires
And the world was alive with the fireworks
The fireworks in your stare
I'm losing my mind
losing my mind

Did they put you on their shoulders
Show you all the sights
When you got down did you still feel alright
Well I've walked amongst the ruins
And there's no haunted heart
There is no bird that's singin for the light
I'm losing this fight
I'm losing this fight
I'm losing my mind
Did they put you on their shoulders
Show you all the sights
When you got down did you still feel alright
Well I've walked amongst the ruins
And there's no haunted heart
There is no bird that's singing for the light
I'm losing my mind
I'm losing my mind
