It's You That I Need

Enchantment

IT'S YOU THAT I NEED
Enchantment
Something strange is happening
You don't belong to me anymore
It seems I'm all alone
In my dreams
I just feel so weak
No one knows the pain I see
When I'm all alone
Now that you're gone
My world is cold
My friends are few
Without you here
My joy seems cruel
When you left you took part of me
What can I do
It's you that I need, baby
It's you that I need
I'm lonely
It's you that I need, come back
Something's gone in me
You were my life, my mystery baby
How could you do this to me
Left me holding on to a memory
I tried, I tried to be good
Take you to a place no others could
I suddenly woke and found you gone
Now I sing my heart to you
Through the words of this song
Something happened to me
You were my life, my destiny
My life will never, ever be complete
Come back to me
It's you that I need baby, baby
It's you that I need
Come back to me
