

Freedom

Suicidal Tendencies

[Muir, Paul, Pleasants, Clark] Peace through politics - is a fallacy that does not exist
Freedom, Freedom,
Freedom, Freedom
Where's your freedom? We got your freedom Get your freedom, I got your freedom
Truth is hard sell but I know what goes over well exceptionally
Lies and cheap and free so the profit margin works Where's your freedom I got your freedom Get your
freedom we got your freedom
