

Take Ya Home

Lil' Bow Wow

From the C-O to across the seas
I'm guaranted to make everybody bounce with me
Been known to rip it down anyplace I be
You can copy but' it's only gonna be one me
I don't ride no cars till a man come with me
14 And I started up a whole epidemic
Look, ya'll know what I'm talkin about
Ever since I hooked up with the homie down south
TV shows, Magizine covers
Girls in groups sayin, "We go with each other."
Sold out shows pocket full of cake
What you know about selling tres mill out the gate?
I'm the hottest thing around
Neck full of bling, bling like neptune sound
I got it locked on the left, right, front and rear
When I step in the spot this all I hear
I said lil' Bow Wow You just don't
The way you move so fast across the floor
I mean you run through my mind like all the time
To the point that I just wanna take ya home
I said lil' Bow Wow You just don't
The way you move so fast across the floor
I mean you run through my mind like all the time
To the point that I just wanna take ya home
Right now, when I'm old, where I'm gonna be
How I flow, homie you can bet the house on me
I'ma forever be up under the scope
I ain't tryin' to go out like Todd Bridges off Different strokes
I was born to rock, born to rhyme
What you lookin' at is somethin' that's before their time
Like the number 2-3 in red and black
Mr. 106 and park is back HOLLA
I do it like no other
And I attract more family than Ringling Brothers I
Got'em scattered, covered, smothered like hash browns
See I'm the best just ask around
I'm here now and ain't nobody takin' mine
It's a waste of time if yu thinkin'you can
You betta off gettin'a shirt makin' a sign that reads

"Shad Moss" I'm your number #1 fan
I said lil' Bow Wow you just don't know
The way you move so fast across the floor
I mean you run through my mind like all the time
To the point that I just wanna take ya home
I said lil' Bow Wow You just don't
The way you move so fast across the floor
I mean you run through my mind like all the time
To the point that I just wanna take ya home

Represent that
Represent that
Represent that
Represent that
Represent that
Represent that
Represent that
Represent that

I said lil' Bow Wow you just don't know
The way you move so fast across the floor
I mean you run through my mind like all the time
To the point that I just wanna take ya home

Represent that
Represent that
Represent that
Represent that
Represent that
Represent that
Represent that
Represent that
