Burn the Witch

Queens of the Stone Age

Holding hands, skipping like a stone On our way, to see what we have done The first to speak, is the first to lie The children cross their hearts and hope to dieBite your tongue Swear to keep your mouth shutAsk yourself, will I burn in Hell Then write it down and cast it in the well There they are the mob it cries for blood To twist the tale into fire woodFan the flames with a little lie Then turn your cheek until the fire dies The skin it peels, like the truth away What it was, well, I would never sayBite your tongue Swear to keep, keep your mouth shut Make up something Make up something goodHolding hands, skipping like a stone Burn the witch, burn to ash and bone Burn the witch, burn to ash and bone Burn the witch, burn to ash and bone
