Take Me Back

Tinted Windows

I just want you like it was before
But nothing seems to work anymore
I'm open to suggestion
Give me some direction
Tell me what you're looking forYou know I
Been working overtime
So I can change your mind
Look what you put me through
OohoooohIt's not enough enough
To love someone
When the one you love
Just wants to cut and run
Tell me what I've got to do for you
T-t-t-take me back
T-t-t-take me back
T-t-t-take me backI've been trying every trick in the book
Hoping you'll give me a second look
I've been driven to distraction
Still there's no reaction
You still got your phone off the hookYou know I
Don't want to waste your time
Maybe I can change your mind
If I can just get through
OohoooohIt's not enough enough
To love someone
When the one you love
Just wants to cut and run
Tell me what I've got to do for you
T-t-t-take me back
T-t-t-take me back
T-t-t-take me backYou've got something that I can't deny
Come on now sugar give me one more try
Since you said goodbye I just wanna die
I just wanna die
I just wanna dieIt's not enough enough
To love someone
When the one you love
Just wants to cut and run
It's not enough enough

To love someone
When the one you love
Just wants to cut and run
Tell me what I've got to do for you
T-t-t-take me back
T-t-t-take me back
T-t-t-take me back
Girl won't you take me back
It's not enough enough
It's not enough enough
