Say Mama

Chas Hodges

Say mama can i go out tonight
Say mama wanna be allright
We got a rocking party going down the street
Say mama wanna hear the beat
Wou , wou , wou , wou
Wou , wou , wou , wou
Yeah , yeah , yeah
Say mama don't you look that way
I wanna know what your going to say
Well mama , well a don't be mad
I'm gonna stay , well a don't be mad
I'm gonna stay right where i am
Wou , wou , wou , wou
Wou , wou , wou , wou
Yeah , yeah , yeah
