Toe the Line

GTR

Sometimes you want to kick yourself
For letting things get this far
You get no thanks at all
It's just a double-edged swordWe try to keep ourselves detached
It's clear who holds the key
Drifting through the age of reason
Now, you're washed up on the shoreToe the line
It'll only hurt
What are you trying to hide?
When you go swimming against the tide
You'd better toe the line
It's only going to hurt
What a waste of time
Trying to change their world
So, toe the lineIt seems like everything you went for
Disappeared like purple haze
Can we ever hope for justice?
While bitter men
Hold nothing close to them
It was fixed before you were here
You'd better toe the line
(It's only going to hurt)
What a waste of time
Trying to change their world
So, toe the lineIt's an English custom
