I Want You

Mugison

I want you
Just come on home
Oh... make things work
I need you here
I'm scared of being alone
Ooh

I'est reaching this far
And I don't want to go there
Remember...

Ooohhheeeooo

Baby let's go dancing
Like we talked about
I'll do the strange kind
If you can shout

Look at my wee boy
He's one of a kind
He makes me laugh and he
He makes me cry

This kind of love is hard to find

I want you
And guess what?
I've shaved off my beard

And I need you here
You know I could be that boy that you...

Baby let's go dancing
Like we talked about
I'll be the wheel boy
If you can shout

Look at my wee boy
He's one of a kind
He makes me laugh and he

He makes me cry

Baby let's go dancing
Like we talked about
I'll be the weird boy
And you can shout
