

# I Want You

## Mugison

I want you  
Just come on home  
Oh... make things work  
I need you here  
I'm scared of being alone  
Ooh

I'est reaching this far  
And I don't want to go there  
Remember...

Ooohhheeeooo

Baby let's go dancing  
Like we talked about  
I'll do the strange kind  
If you can shout

Look at my wee boy  
He's one of a kind  
He makes me laugh and he  
He makes me cry

This kind of love is hard to find

I want you  
And guess what?  
I've shaved off my beard

And I need you here  
You know I could be that boy that you...

Baby let's go dancing  
Like we talked about  
I'll be the wheel boy  
If you can shout

Look at my wee boy  
He's one of a kind  
He makes me laugh and he

He makes me cry

Baby let's go dancing  
Like we talked about  
I'll be the weird boy  
And you can shout
