

Pulse

Orchestral Manoeuvres In the Dark

I know what you are thinking
You think the clock is ticking
It's Ok if that is...
What you came for
You say that I'm a user
Words just confuse you
It's abuse, but that is...
What you came for
Got it, Started, Going, Oh Yeah
Rockin', No Stoppin',
It's what you came forPulse
Got your finger on my pulse
Your finger. Don't stop until you got it
Don't stop until you got my
Pulse
Put your finger on my pulse
I'll tell you. Don't stop until you got it
Don't stop until you got my
PulseIt doesn't have to be so
Hard if you let go
Ask for help because it's...
What you came forI'll give you clear instructions
How to use the functions
Fuckin' listen cos it's...
What you came for
Got it, Started, Going, Oh Yeah
Rockin', No Stoppin',
It's what you came for
