

Oh Virginia

Blessid Union Of Souls

Oh Virginia

Here's my chance to say thank you to a place where
All my memories are fond and an essence of my heart
Waiting there with open arms, there's Melissa full of charm
How I miss her so, she was such a sight of love down in
Oh Virginia, down the highway to 64
East way to Newport News, there you'll find an open door in
Oh Virginia, all my friends are there to greet me
Just a smile down 64, along the open road
At the Patton Hotel, I spent lots of time there
That's where we decided, this is where we wanted to be
And down the road on Jefferson, you'll find Steamer's close by
If you see Mark and Steve Breen, tell 'em Jeff and I both said, "Hi"
But we were younger then, never knowing then
That she would take us as her own and make us part of her life
Highway to the sun, we had so much fun
I can't wait to get there, tell 'em that I miss my second home
Oh Virginia, down the way, we'll be there in no time
Oh Virginia, just a ride down 64

Oh Virginia, I can see those signs from here

Oh Virginia, 25 miles to Hampton Roads

Oh Virginia

Oh Virginia

Sing it

We got friends in Yorktown

We got friends in Williamsburg

We got friends in Newport News

We want all of y'all from Portsmouth sing

We got friends in Bluefield

We got friends in Richmond

We got friends in Hampton Roads

And down by the beach, let me hear everybody, yeah

Oh Virginia

Oh Virginia

Oh Virginia

Oh Virginia
