## **Cats Van Bags**

## **Atmosphere**

[Intro]I can't scratch, cause I'm drunk I got bad teeth and my gums are bleeding Come and fucking get me, motherfucker Yeah, break, start the song now, fucker [Verse 1][Slug]We travelin the missle, weavin' through your cornfields Leavin behind a trail of amature porn and orange peels Navagatin through this basement, the mascarades As our nation, practicin' my acetate, masturbation Watchin the expressions on the faces Of the ones designated to be the queens, kings, and aces How many miles can you put on one soul Before the smile starts to blend into one big bullet hole [Brother Ali]Shoot through it as a union, with the best of my crew Bumpin melodys and memories too, my heads killin me, ohh Stomach empty, my bladder is full Two year old son on Jay Birds phone Cryin, ya missin me And I'm starvin', I'll bite ya arm off Sabertooth Tiger, run the night with the sharp claws In ya backyard just to fuck with ya guard dog Throw a brick through your shit and cut the alarm off Bitch [Slug]Fuck yes, I do my best to take advantage in bouts With one hand over the mouth, still managin' to shout Theres more said, then in the lines in your forehead

Theres more said, then in the lines in your forehead

Then could ever find in fine print on the inside of that warhead

Cross counrty, like a little lost junky

Make them hot and jumpy, trying to get that God money

Stearin the van through the blizzards, the fanfare

Pivot when we visit, spit victim if you stand there

[Brother Ali]Take a map of this picture, throw a dart at it, thats where

We took a room back full the kids and threw a heart at it

Angry like a hostage, Kickin like a little bitch in one of Dibs's mosh pits

Shifitin through your city limits tryin to find the raw shit

Thread and needle wit it, and weave a world of hate together, till we get

'em car sick

Face full of war paint, strapped ready for action

Battle cracks headin, trying to seek the satisfaction of the captain

[Slug]Climbed over the side, closed his eyes

Took a dive into his fame, inspiration for stayin alive

## Swam to the shore, stepped upon land Walked up to a whore, grabbed her by the hand And said

[Chorus][Slug & Brother Ali]Let the wheels spin, let the road shake

Let the speakers blow

Let the line in, let the kids play

Let the people know

Let the roof burn, let the girls love

Let the heat flow

Let the world turn, let the curtains up

Cats Van Bags, Yo

[Verse 2][Brother Ali]Lock eyes, with a thousand people at the same time

They minds, believin this, my style of graffiti is

Squeezin just, the mid west, sweat out of my shirt

And leavin with my life lessons embedded in ya dirt

[Slug]We work, move, and hustle with the rest of the Gypsies

Spoon feed these issues to a new school of Fishies

Swimmin through a hazy shade of passion

Here they come, the Hazleton has-been, and his chaplain

[Brother Ali]Thats them, the migrants, seasonal workers

The finest imperial wordsmiths on the circuit

Two Million smiles and runnin, stompin', trying to flee the heat Turn around, shootin at the monster till his knees are weak [Slug]They call me Jesus Freak, I came to listen Then I save you, then I make you, my favorite position Chasin' this pidgeon down the street towards the banks

Just in case, my traffic recieves jeeps and tanks
[Bridge][Slug]And we wonder through the snow, so let it be known
Mama I dont know if I'ma ever be home
The revolution wont have any distribution
I love my son and my music so I gotta keep it movin'

Like

[Chorus][Slug & Brother Ali]Let the wheels spin, let the road shake

Let the speakers blow

Let the line in, let the kids play

Let the people know

Let the roof burn, let the girls love

Let the heat flow

Let the world turn, let the curtains up

Cats Van Bags, Yo
