Defeated

The Fugs

Do you have any idea what you've done?
You took the only thing that beats in me
(Yeah, yeah)
I tried to get you out of my head
But you insisted that you stayed here too
What am I supposed to do?
Should I
(Let you keep me open while I'm hanging on your rope)
'Cause I'm
(Thinking, wishing, hoping that you'll never do me wrong)
Never thought that love could be this hard
I'm tryna get you to give me your heart
So deceiving, feeling speechless and defeated
I, a white flag is above my door
'Cause you got everything that you came here for
Got what you needed, now I'm bleeding and defeated
And I'm out of love
Tell me is there someone else that you see
'Cause everything is different with me
(Oh, yeah)
If so just tell me the truth and I'll go look the other way and let it be
I can't
(Let you keep me open while I'm hanging on your rope)
'Cause I'm
(Thinking, wishing, hoping that you'll never do me wrong)
Never thought that love could be this hard
I'm tryna get you to give me your heart
So deceiving, feeling speechless and defeated
I, a white flag is above my door
'Cause you got everything that you came here for
Got what you needed, now I'm bleeding and defeated
And I'm out of love
