Off to Heaven

Kevin Skinner

She start her work days off*
With the with the same old line
Well, I'm off to heaven
And I'll see you tonightI watch the car pull out the drive
I never imagined
It never once crossed my mind
It was the last time
I will ever see her face
And I always remember how she'd say
I'm off to heaven
And I'll see you tonight
Daydream about you
And that's how I spend my time
And when I'm away
But its only for a while
I'm off to heaven
And I'll see you tonightAll around me seem to crumble that day
When I got the call she passed the away
She's far away now in a brand new place
These passing moments
I can almost hear her say
I'm off to heaven
And I'll see you tonight
Daydream about you
And that's how I spend my time
And when I'm away
But its only for a while
I'm off to heaven
And I'll see you tonight
I'm off to heaven
I'll see you tonight
