

(Our Love) Don't Throw It All Away

Barbra Streisand

Maybe I don't wanna know the reason why
But lately you don't talk to me
And darlin' I can't see me in your eyes I hold you near but you're so far away
And it's losing you, I can't believe
To watch you leave and let this feeling die You alone are the living thing that keeps me alive
And tomorrow if I'm here without your love, you know, I can't survive
Only my love can raise you high above it all Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, our love We can take the darkness and make it full of light
But let your love flow back to me
How can you leave and let this feeling die This happy room would be a lonely place when you are gone
And I won't even have your shoulders for the crying on
No other woman's love, could be as true, I'm begging you Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, our love We changed the world, we made it ours to hold
But dreams are made for those who really try
This losing you is real but I still feel you here inside Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, away Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, away Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away
