

Love Me Do

MrDjGri

Honey, don't you know I love you?
'Cause I give you all I can, I do
Everything I've tried to help you
Love me tooGive a little of what you take from me, honey
That's all you have to do
Won't you come on over here and love me?
Love me doLove, love, love me
Love me do
Love, love, love me
Love me do, yeahHoney, don't you think I need ya?
Indeed I do
Won't you come on over here and love me
Love me tooGive a little of what you take from me, honey
That's all you have to do
Won't you come on over here and love me?
Love me doLove, love, love me
Love me do, oh yeah
Love, love, love me
Love me do, oh yeahHoney, don't you think I love ya?
'Cause I give you all I can, I do
I tried everything I could to help you
Love me tooOoh, now, love, love, love me
Love me do
Well, love, love, love me
Love me doLove, love, love me
Love me do
Love, love, love me
Love me do, oh yesCome on, love, love, love me
Love me do, won't you, lover?
Well, love, love, love me
