Fuckin' Perfect (Travis Garland Remix)

Travis Garland

I know how you feel inside
You're in love and so am I
But you're with some other guy
I should be the one by your sideHe cheated
Made you feel no good
I told you that he would
I knew he'd make you cryYou're broken
Let me make it better
Glue you back together
Just give me a tryPretty pretty please
Don't you ever ever feel
Like you're less than, fucking perfect
If you get with me
I won't ever make you feel
Any less than fucking perfect, you'll seeAt his house you found her clothes
Tried to play you and say who's are those
He's so stupid
Here's how i know
what kinda genius would let
Perfection goHe's conceited, only 'bout himself
He loves nobody else
He ain't even flyYou're broken
Let me make it better
Glue you back together
Just give me a tryPretty pretty please
Don't you ever ever feel
Like you're less than, fucking perfect
If you get with me
I won't ever make you feel
Any less than fucking perfect, you'll seeIt's gonna take time girl
To heal that hole (he left)
Exactly how long I don't know but
You got pain and I know a remedy
You gotta, start kickin it with someone like me
Now you're overanalyzing all of your thoughts
Start to thinkin it's all your fault
But baby girl don't you go and blame yourself
He's just a douchebag
He's just a douchebagOooOoOohI was hopin

You'd let me replace him
I would straight erase him
Right out of your mindPretty pretty please
Don't you ever ever feel
Like you're less than, fucking perfect
If you get with me
I won't ever make you feel
Any less than fucking perfect, you'll see
Pretty pretty please
Don't you ever ever feel
Like you're less than, fucking perfect
If you get with me
I won't ever make you feel
Any less than fucking perfect, you'll see
