

# Cindy, Oh Cindy

Waylon Jennings

I joined the navy to see the world but nowhere could I find  
A girl as sweet as Cindy the girl I left behind  
I've sailed the wide world over, can't get her off my mind  
Cindy, ohh, Cindy, Cindy don't let me down  
Write me a letter soon and I'll be homeward bound I see her face in every wave, her lips kiss every breeze  
Her loving arms reach out for me through calm and stormy seas  
At night I pace the lonely deck caressed by memories  
Cindy, ohh, Cindy, Cindy don't let me down I know my Cindy's waitin' as I walk the dock alone  
Her loving arms reach out for me, soon I'll be headin' home  
Then my sailing days will be over and no more will I roam  
Cindy, ohh, Cindy, Cindy don't let me down  
Cindy, ohh, Cindy, Cindy don't let me down
