

# Better Things for You

## The Holy Modal Rounders

Kind friends I'm here to tell you because I love your souls,  
No doubt you've been converted but that a'int ever been all,  
Some people may try to fool you they've got nothing better to do,  
But Jesus Christ my savior has better things for you.

### CHORUS:

He's got better things for you,  
more than you friends can do,  
He's got the Holy Ghost and the fire,  
just to bring you through,  
He's got better things for you,  
more than your friends can do,  
So set your mind on Jesus and better things for you.

Now Mary was a virgin she birthed the Son of God,  
But that was not sufficient she to go with John,  
And travel to Jerusalem and there he made her new,  
And now she's sitting in glory with better things to do.

### CHORUS

Anaius [sic] he was humble he prayed to God all day,  
But that was not sufficient he did not kneel to pray,  
Then God sent down His angels and told him what to do,  
And now he's sitting in glory with better things to do.

### CHORUS
