Wait For You

Fuel injected .45

If I asked to kiss ya
Would you say yes or turn and walk away (oh baby)
See I must admit girl
Cause all the crazy things that go through my head
Whoa oh oh oo oh oh no
It seems just like the perfect move at the time,
For me to make you mine
(Girl you're sexy from head to toe)
You said you think we should wait a while,
And it might be hard but
I won't complain, you could've been anywhere else
But you're here with me (oh yeah)
We can travel to space
As long as I got you right here next to me, I'm straight
Ooooh oh oh oh girl I'll wait
Ooooh oh oh for you, yes I will
Ooooh oh ooooh
I said I'll wait for you
I just wanna love ya
Lord knows that I can't wait for the day
I said I must admit girl
Baby I swear I'll do whatever it takes
(To keep you here with me)

It seemed just like the perfect move at the time,
For me to make you mine
(Girl you're sexy from head to toe)
You said you think we should wait a while
Girl it might be hard but
I won't complain, you could've been anywhere else
But you're here with me (oh yeah)
We can travel to space
As long as I got you right here next to me, I'm straight
Ooooh oh oh oh girl I'll wait
Ooooh oh oh for you, yes I will
Ooooh oh ooooh
I said I'll wait for you
It's been a while and we both know that I been patient girl
Cause you ain't been trying to give it up, no

But I won't complain, you could've been anywhere else
But you're here with me (oh yeah)
We can travel to space
As long as I got you right here next to me, I'm straight
Ooooh oh oh oh girl I'll wait
Ooooh oh oh for you, yes I will
Ooooh oh ooooh
I said I'll wait for you
