Superball

Magic Kids

I'm a superball
You can bounce me once and I ricochet
Around the room
I'm a superball
If I pick up speed get out of my way
I'm a sonic boom
And I warn you now
The velocity I'm gathering
Will knock you down
Send the chairs and lamps all scattering
'cause I'm a superball
If you think there'll be no aftershocks
Well I'm a superball
Read the fine print on the back of the box

Stick to slinkies, hot wheels, alphabet blocks
-guitar solo-
And I warn you now
The velocity I'm gathering
Will knock you down
Send the chairs and lamps all scattering
It's got nothing to do with me
It's got nothing to do with me
It's got nothing to do with me
It's got nothing to do with me
It's got nothing to do with me
It's got nothing to do with me
It's got nothing...
