

Drown Soda

Hole

Ooh, yeah he wants to take you,
take you away from your life.
Ooh, yeah he wants to take you,
take you away from your life.
Ooh, yeah he wants to help you.
Come on and take my hand.
Ooh, yeah he wants to kill you,
baby, I know you'd understand.
Just you wait till everyone is hooked.
Ooh yeah, he wants to take you,
take you away from your lies.
Ooh yeah, he wants to take you,
take you away from your life.
Are you gonna sit and watch me?
Watch me while I go down...
Ooh yeah, he wants to take you,
take you away from your life.
Ooh yeah, he wants to kill you.
Tell you about my life.
Sit in the corner and I drink drown soda.
I wanna bomb the whole state of Minnesota.
And I sit in the corner and I drink drown soda.
I wanna bomb the whole state of Minnesota.
