

Happiness (feat. MNEK)

[Chris Malinchak](#)

Got off the days when I would wait in loneliness
You came and laid, all of your love into my life
You're a dream to me, a clear vision of happiness
Reality can never ever be alone
Happiness, so, so happy Like I let you go, I won't let you slip away
You always show, me a love unconditional
So please never change, you're perfect just the way you are
'Cause when I'm in pain, you're a vision of beautiful You're a dream to me, you're a dream to me
You're a dream to me, I love you
You're a dream to me
You're a dream to me, you're a dream to me
You're a dream to me, I love you
You're a dream to me
