Run from Me

Timber Timbre

run from me darlin'
run my good wife
run from me darlin'
you'd better run for your liferun from me baby
run my good wife
run from me baby
you better run for your lifeand each time I see you
I contemplate
what I love most of all
your swingin' gazerun from me darlin'
run my good wife
run from me darlin'
you'd better run for your life
